WHAT PEOPLE SAY ABOUT THE TRAINER AND HIS PROGRAMS

Manmeet Singh Akali
Building Klarity.in: 1 on 1
Mentoring for Students by
Industry Professionals

November 8, 2019, Manmeet
Singh was a client of Vineet's

Vineet & I worked together for helping students at Symbiosis & Nirma University prepare for placements.

My brief was simple 'Wow Feedback' & I must say that the feedback was beyond 'Wow'. Unsolicited Thank You messages from 15% of participants on Whatsapp & LinkedIn says a lot about the impact created by these training.

His ability to integrate humour & storytelling sets him apart & helps students retain key messages. I appreciate his commitment as he often ended sessions at 9 PM because of student queries when the plan was to end at 7 PM. I definitely look forward to working with him on further projects.
